

Earth Kids Academy

Virtual Summer Camp Programs & Admissions

Welcome to Earth Kids Academy Virtual Summer Camp—a dynamic, immersive, and globally inspired learning experience designed to ignite curiosity, creativity, and confidence in students across **grades 1–12**.

Our summer theme, **“Around the World in 30 Days,”** transforms learning into an exciting journey where students explore creativity, science, and culture through live, instructor-led virtual experiences.

Virtual Summer Camp Overview

- **Format:** Fully Virtual (Live Instructor-Led Sessions)
 - **Schedule:** Monday–Friday | 10:00 AM – 12:00 PM
 - **Class Size:** Maximum of 20 students per group
 - **Support:** Two dedicated camp counselors per group
 - **Focus:** Academic enrichment, creativity, global exploration, and structured learning across all grade levels
-

June Session: Virtual Performing Arts Camp

Focus Area: Creative Expression, Communication, and Performance Foundations

The June session introduces students to the performing arts through an engaging, age-responsive creative learning experience. Activities are designed to be accessible and appropriately challenging across elementary, middle, and high school learners. Students will engage in guided experiences that support:

- Creative storytelling and expression
- Confidence-building through presentation
- Introduction to performance-based learning
- Collaborative creative projects

This session encourages imagination, communication skills, and self-expression in a supportive virtual environment.

July Session: Advanced Sciences Camp

Focus Area: Science Exploration, Inquiry, and Critical Thinking

The July session strengthens students' curiosity and academic thinking through science-focused learning experiences designed to support learners across multiple grade levels. Students will engage in structured exploration of:

- Core science concepts and real-world applications
- Inquiry-based learning and problem-solving
- Introduction to experimental thinking and observation
- Cross-disciplinary connections in math and science

This session is designed to inspire analytical thinking, discovery, and academic growth in STEM-related fields.

Admissions & Registration Process

To reserve your child's spot in Virtual Summer Camp, families must complete the registration process below:

Step 1: Registration Appointment

Fee: \$50 USD (Booking Fee)

Begin your Virtual Camp Registration to:

- Connect with a dedicated camp counselor
 - Complete summer camp registration details
 - Secure placement for the upcoming summer session
-

Step 2: Camp Counselor Meeting

 **Scheduled Week:** May 25–29, 2026

During this meeting, families will:

- Finalize enrollment details
 - Confirm program placement
 - Review camp expectations and structure
-

Step 3: Camp Welcome Session

After completion of the counselor meeting, families will:

- Receive secure login credentials for the Virtual Summer Camp portal
- Access program materials and schedules
- Prepare for the start of camp sessions

Important Enrollment Note

Camp access is only granted after BOTH steps are completed: 1. Registration Appointment 2. Camp Counselor Meeting

Once finalized, students will receive full access to the Virtual Summer Camp experience.

What the \$50 Booking Includes

- One-on-one enrollment meeting
 - Camp placement reservation
 - Counselor assignment
 - Registration processing and onboarding setup
-

Enrollment Summary

- Two summer sessions: June (Performing Arts Focus) & July (Advanced Sciences Focus)
 - Live virtual instruction with structured daily learning
 - Small-group, counselor-supported environment
 - Designed for learners across grades 1–12
 - Required admissions process prior to camp access
-

Coming Soon: In-Person Summer Camp (2027)

Earth Kids Academy is preparing to launch our **In-Person Summer Camp experience in Summer 2027**, expanding learning beyond the virtual environment into hands-on, real-world engagement.

- **Location (Initial):** Bulloch County, Georgia
- **Start Date:** First week of June 2027
- **Registration Fee:** \$20 (Waitlist Reservation)
- **Camp Cost:** \$175 per week

 **Important:** This program is currently in early planning and is not part of the 2026 summer offerings. Families may join the waitlist to receive early updates and priority registration access.

Earth Kids Academy is committed to delivering meaningful, structured, and inspiring learning experiences that support student growth, creativity, and academic development across all grade levels—both virtually and in future in-person environments.
